Pattern guide

29 blocks wide × 31 blocks tall | 59 diagonal rows | 899 blocks

Start in the bottom-right corner of the graph as displayed. Odd rows are RS (right side), worked diagonally down-left; even rows are WS (wrong side), worked diagonally up-right. Turn after each row. Follow each written sequence from left to right, regardless of the arrow.

Each number counts complete C2C blocks, not individual stitches. Use your chosen C2C stitch throughout. This is a color-placement pattern; yarn, hook, gauge and finished measurements are not specified by the supplied graph.

Rows 1–29	Increase at both ends. Row 29 has 29 blocks.
Row 30 [WS]	Decrease at the start, increase at the end (29 blocks).
Row 31 [RS]	Increase at the start, decrease at the end (29 blocks).
Rows 32–59	Decrease at both ends, from 28 blocks to 1.
